

SPORTING CLAYS LEAGUE INFORMATION AND RULES

COST

Each team member on the roster will pay a \$10 league membership fee on the first night of league. This fee will be waived for those team members who are Charter, Life or Current Annual Members of the Sidney Shooting Park.

Target fees will be \$15 per shooter for 50 targets, 5 targets per station.

LIMIT ON NUMBER OF TEAMS

We are limited to 20 teams on a first come, first serve basis. We will run our traditional two flight league if we have more than 10 teams in the league.

ROSTERS

Team rosters will consist of 3 or more persons. All team members may shoot, but only the top 3 scores will be counted toward the team score.

MAKE-UPS

There will not be a designated make-up or raindate for this league. If your team will not have at least 3 members in attendance on a given night, you can choose to either shoot ahead as a team for the week you will miss, or make-up as a team for the night that you did miss. All shoot aheads must be for a date specified in advance. Banking of team scores is not allowed. The team captain will need to inform the office of the team's intention to shoot ahead or make-up.

SIGN-IN PROCEDURE AND SHOOT OPERATIONS

The team captain will come to the office and pick-up a score sheet for completion by his team.

Once all members of the team have completed the score sheet and the captain has collected all the target fees for the night, the captain shall return to the office, turn in the fees and the office will inform the captain of the station where his/her team will begin the event.

Upon completion of the event, the team captain should turn-in the score sheet and clipboard to the office.

HANDICAP SYSTEM

The total of the 3 highest scores will be added together to determine the team score for the night. Team scores shot for the first 4 weeks will be used to divide the league into classes according to ability. Total team scores for the last 6 weeks will determine the winners of each class. Management reserves the right to adjust classification of teams shooting abnormally low scores in weeks 1- 4 in accordance with known ability.

TROPHIES OR PRIZES

Trophies or prizes will be awarded to each roster member of the team winning each class.

Trophies or prizes will be awarded to the top 3 male shooters, top 3 female shooters, and top 3 youth shooters.

Winners will be determined by total targets broken for the full ten weeks for individual awards.
